

Hockey Canada Approved Officiating Uniforms

OFFICIATING CATALOGUE

PRO OFFICIATING JERSEYS

Pro Referee Jersey
Sizing: 44-56

Pro Linesman Jersey
Sizing: 44-56

Force pro-style officiating jerseys are manufactured for top level officials and the unique demands placed upon their equipment. Features include:

Proprietary Material

Constructed of a proprietary 100% polyester weave, designed exclusively for Force Sports. Durable construction to prevent tears and pulls, with a luxurious feel.

Increased Arm Width

Arms have been widened for increased flexibility. Designed not to pull or bunch around elbow pads.

Gusset

Reinforced double-stitched gusset for enhanced range of motion and strength.

Double Stitched Seams

Double stitched seams for improved strength where it is needed most.

Armbands/Armsnaps

Hockey Canada approved armband. 1" black doubleknit, 4" red or orange doubleknit. Linesman jerseys come with armsnaps

Collar

Self collar constructed from ribbed lycra. Guaranteed to not shrink and curl.

WOMEN'S OFFICIATING

Pro Referee and Linesman Jersey
Sizing: 42-50

Pro-Style Officiating jerseys are designed specifically for female Officials. A Ragland style shoulder allows the armband to be positioned in the correct location on the bicep. Other distinctive features include shorter overall body and arm length.

The referee jersey comes with sewn-in armbands while the linesman jersey comes with armsnaps for both Force and CCM armbands.

Ragland Shoulder

Designed for narrower shoulders, allowing armband to be positioned in the correct location on the bicep.

Shorter Overall Arm & Body Length

Arm and body length have been shortened for superior fit on female officials.

Armbands/Armsnaps

Armbands or Armsnaps correctly situated on the bicep.

Women's WX Protective Girdle

The Force WX Girdle is tailored for female athletes. Constructed of micromesh and stretch Lycra the WX is designed to fit snugly on various body sizes. Removable padding and Jill for washing.

Adult X-Small: 26"-32"
Adult Small: 28"-34"

OFFICIATING PANTS

Pro Referee Pant

The Force Pro Referee Pant is made from SONAFLASH fabric. SONAFLASH is engineered in Sharkskin weave, using a new textured polyester yarn protected with FENDOFF and TEFLON treatments. This breakthrough material is the ultimate high technology outer fabric.

Fendoff : This anti-bacteria treatment prevents odors caused by storing damp equipment.

Teflon : Dupont's stain and water repellent treatment lets snow and ice fall right off.

Sharkskin Construction: The special Sharkskin lock-stitch construction, will not fray and resists cuts and pulls.

Flexibility and Lightness: For enhanced performance, SONAFLASH is 10% lighter than back-coated nylons. Plus, SONAFLASH moves in all directions so there is no break-in time required. Polyester is more flexible than nylon in lower temperatures.

Airflow: With no back coating needed to hold the fibers together, air passes right through. Now high tech linings like Coolmax and Buckskin can function properly, keeping the user comfortable and dry.

Additional Features: Reinforced crotch, double stitched seams, ribbed Lycra inner leg and seat, deep front slash pockets, double back pockets (1 with zipper), suspender buttons, nylon belt.

Made in Canada.

Sizing: S (30-32), M (34-36), L (38-40), XL (40-44), XXL (44-48)

Intermediate Referee Pant

Perfect for the recreational referee. 100% polyester heavyweight doubleknit with two deep slash pockets for ease of access and room for extra whistles. Also includes two back pockets (1 with Velcro), suspender buttons, nylon belt.

Sizing: S (30-32), M (34-36), L (38-40), XL (40-44)
